About Us

With a plant in Gujarat, India, Camrola Quartz Limited was founded to manufacture and supply quartz stones. Our company, established on July 14th, 2018, manufacture 1600 SQM of quartz stone daily. As the name suggests, quartz stone is an engineered product used in construction and building projects, whether residential. Our products are used in new construction projects and in existing buildings, offices, and homes to increase durability and lower maintenance costs. Our products, which include Avanza Calacuatta Marble Slabs, Concreto Marble Slabs, Valencia Marble Slabs, Manassas Calacatta Marble Slabs, and more, essentially eliminate the inherent flaws of natural granite stone and allow for designs that are tailored to the preferences of our customers.

By 2024, we want to be India's leading supplier and manufacturer of quartz. Our company is set up with the highest systematic controls and quality standards that guarantee reliable production with little waste. We set an exemplary standard and strive to elevate the Indian engineered stone industry. Our management team comprises senior executives with 20 years of manufacturing and sales experience from the Indian industry.

Camrola Quartz Limited is a business that guarantees to bring enduring beauty to the homes of our customers. We are a company that values both technology and fashion highly. By combining the two, we manufacture and supply products like Avanza Calacuatta Marble Slabs, Concreto Marble Slabs, Valencia Marble Slabs, Nero Emperador Marble Slabs, Satuario Calacatta Marble Slabs, Manassas Calacatta Marble Slabs, etc. that delight the customers. Our factory, situated in Himatnagar, the Indian ceramic capital, was built using modern technology that was professionally imported. With years of experience, our management brings us, our brand and our products to a high recognition level.
